

Twin Creeks Student Art Show!!

Thursday, May 16, 2024
6:00-7:30pm in the MPR
During Open House

Come visit our Twin Creeks Art Show, taking place in the MPR,
the same evening as Open House.

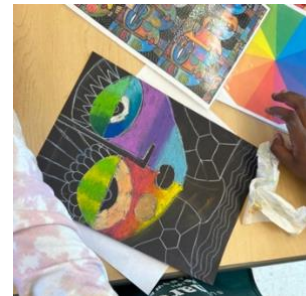

Every student will have one of their art projects from this school year framed and on display. Your children are very excited to share their art with you in this special way!

You may purchase your child's framed art for just \$20.
Proceeds go back into our art program, making it possible to continue to provide quality art materials and education here at Twin Creeks.

PLEASE support this important fundraiser by visiting the MPR during Open House, and if you're able, purchasing your child's framed art.

IMPORTANT: To avoid long payment lines, you can prepay your student's artwork by visiting the Twin Creeks Store. Click the link or scan QR code provided below. You can also pay by cash or check (made payable to TCES) the night of the show.
