

Twin Creeks Student Art Show - Important Info

This schoolwide Art Show is a time to celebrate and showcase each of our TC Tiger's art. Kids *love* to see (and share with you) their art displayed in this way!

Every Twin Creeks student will have one of their art projects from this school year framed and hanging at our Art Show. Your child's art will be hanging in a section along with their classmates. There will be teacher name cards above the section where their class's art is located. There will also be student/teacher name labels on the front of each artwork, making it easy to find your child's art project.

The only art you are allowed to purchase is your children's. If you can't make it to the Art Show but would like a friend to purchase your child's art for you that's completely fine.

Not everyone in your child's class will have the same art project on display. I try to select between 2 to 3 different projects, this adds a nice variety.

You do not need to purchase your child's framed art to come to the Art Show. Please come out and enjoy the show with your child!

Each framed art is attached to the display grid with a simple metal hook (S-hook). You can easily remove your child's framed art from the display grid and bring it to the payment table. Please leave the S-hook on the display grid. If you've prepaid and there is a PAID sticker on the art, no need to stop by the payment table!

Unable to make the Art Show? If you're not able to make it but would still like to purchase your student's framed art, no problem! Please email me ASAP **with your child's full name and teacher's name**. After the Art Show I will send their framed art to the office where it can be **picked up through Thursday, May 23rd**. If you didn't prepay through the TC student store, then cash or check is accepted when picking it up.

All framed art that is not purchased: The art will be removed from the frame and placed back into your child's art folder, which they will bring home before the last day of school. If your child's art folder was already sent home rest assured that their Art Show piece will still be returned to them.

The Art Show will only be up the evening of Open House, from 6:00-7:30pm in the MPR.

I am beyond thankful to all of you for supporting the Twin Creeks art program!! And a very special thank you to all the amazing volunteers that have signed up to lend a hand, this show couldn't happen without you!
